

**MEMBERSHIP APPLICATION**

**KINGSTON ENVIRONMENT CENTRE**

**Manages a resource centre and space to meet the needs of environmental groups in Kingston Upon Thames. The charity's objects are:**

1 Promoting environmental action and self-empowerment through education, skill sharing, community work and mass media. The charity aims to increase public knowledge and understanding of the natural environment including how human beings can learn to live without compromising the ability of the planet to sustain future human generations.

2 Facilitating the growth of ethical awareness in ourselves, our community and communities linked with our own; valuing fairness, diversity, responsibility, honesty, freedom, dignity, peace, justice, knowledge, health and humour.
